On June 16, 2004, the board approved Zampi & Associates (also known as Zampi, Determan & Erickson LLP) as the District’s legal counsel.

The law firm of Zampi, Determan and Erickson LLP is currently not practicing and has named Erickson Law Firm A.P.C. as successor.

Board approval is requested to retain Erickson Law Firm A.P.C. as the District’s legal counsel until the Request for Proposal (RFP) process is completed and District’s legal counsel is selected.

FAIRFIELD CAMPUS NEW SCIENCE BUILDING PROJECT – SCOPE AND BUDGET REVISIONS

REQUESTED ACTION:
Approval

SUMMARY:
Board approval is requested to revise the scope and size of the New Science Building to include science lab instructional space currently housed in building 300, increase the student station count in classroom within New Science Building and add Astronomy instruction observation stations at roof of New Science Building. Approval of a corresponding budget increase to address the scope changes is also requested. A series of discussions have been held with Science faculty/staff representatives over the past two months and a survey of the School of Mathematics and Science faculty/staff was also conducted in December 2015.

Those discussions and survey indicated a preference for a more comprehensive approach to inclusion of science instructional space within the New Science Building and resulted in the following project scope recommendations being made:

- Add the Physics/Engineering lab and prep space to the new building from Building 300.
- Provide additional instructional space and improvements for the Astronomy Program within the New Science Building to include: elevator, stairs, rooftop viewing platform and storage area for telescopes and instructional equipment.
- Increase the size of the lecture classroom within the New Science Building space from 50 student stations to 85 student stations.
- Consider flexible design of the Student Activity Center space within the New Science Building to address multiple instructional functions.

The recommended changes will increase the square footage of the building and could possibly require construction of a partial second story to the building, though a preference for a one story building will be stated in the Design Build RFP. The additional cost of these changes will require a budget increase of approximately $6,000,000. The proposed project budget increase will be funded from Measure Q Program Reserves and Bond Interest earned. Recommendation for approval of an action item to revise the Measure Q Bond Spending Plan (Update #2) and confirm the budget increase will be included as a part of the Board Agenda in February 2016.

SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO:
MEMBERS OF THE GOVERNING BOARD

SUBJECT:
SOLANO COMMUNITY COLLEGE INSTITUTIONAL LEARNING OUTCOMES AND GENERAL EDUCATION LEARNING OUTCOMES

REQUESTED ACTION:
Approval

SUMMARY:
In Academic Year 2014-15, Solano Community College’s current Institutional Learning Outcomes (ILOs) were determined to be insufficient to meet ACCJC expectations regarding the measurable assessment of outcomes. Consequently, the Assessment Committee, a subcommittee of the Academic Senate, was charged by Academic Affairs with the revision of the Solano Community College’s current Institutional Learning Outcomes [ILOs]. In addition, it is the expectation of ACCJC that all programs have identified, measurable outcomes, including our General Education patterns. As of AY 2014-15, Solano Community College had not yet approved any General Education Learning Outcomes [GELOs].

Per ACCJC, ILOs are to be the institution’s promise to the community of the impact that the institution will have on individuals who come to the institution. ILOs are also the outcomes which other units of the institution also participate in and may report on in program reviews. ILOs tend to include the outcomes in Standard II.A.11, which apply to all programs, and may include one or two additional areas. GELOs are specific to general education patterns and are therefore like any other program level outcomes: they must define clearly what the student is able to do as a result of the program. Both sets of outcomes must be measurable and regularly assessed.

Both the Academic Senate as well as College Governance Council believe that these proposed outcomes can and should be improved upon over time. Both bodies also argue strongly that these proposed outcomes must first be put in place to allow for an informed assessment to occur after which the outcomes can and should be revisited by the appropriate representative bodies per participatory governance. Any suggested amendments would then be proposed to the Trustees at a later date. These assessments should and will inform our forthcoming accreditation self-study.

The proposed ILOs and GELOs were approved as amended by the Superintendent-President’s Executive team by the Academic Senate on October 5, 2015 and by College Governance Council (then, Shared Governance) on November 18, 2015.
Dr. Leslie Minor, Vice President, Academic Affairs, is presenting the ILOs and GELOs to the Governing Board for their approval.

1. The terms "Advertiser" and "Advertising Agency" shall mean and refer to the firms or individuals so designated on the face page of this contract, and "Advertiser" shall include the contracting Advertising Agency, if any. "Lamar" shall mean and refer to The Lamar Companies, its successors and assigns and any affiliated company having a contract with the Authority. "Authority" shall mean and refer to the public agency or authority having jurisdiction over the public transit vehicles and facilities on which the advertising materials are to be displayed.

2. Advertiser and/or Advertising Agency must provide approved artwork in an acceptable format 21 days prior to contract start date. If production is delayed due to artwork, Advertiser or Advertising Agency remains responsible for payment of contracted amount per contract period(s).

3. If this contract is a renewal contract, Advertiser or Advertising Agency agree to pay the billing rate set out in the previous contract for billing periods extending beyond the expiration of the previous contract term until the start date set out in this contract.

4. The text and illustrations on each Display shall be subject to approval or disapproval by Lamar and by each Authority on whose units the Display will be posted and such decision shall be final. In the event the Authority or its representatives shall disapprove of any Display, Lamar shall have the right to remove the Display forthwith and the Advertiser or Advertising Agency shall receive a pro rata credit (space only) from the date of removal of the Display.

5. Lamar accepts this contract subject to all federal, state and municipal laws and regulations with respect to the advertising matter to be displayed ("Laws"). In the event that such advertising Display becomes illegal or a request is received to terminate the Display for violation of Laws, Lamar reserves the right to terminate same, but there shall be no short rate charge because of such termination.

6. Advertiser or Advertising Agency grants to Lamar for the term of this contract, and any renewal thereof by Advertiser or Advertising Agency, an irrevocable license to use the Display, such license to commence on completion of Installation. Upon expiry of the license, Advertiser or Advertising Agency agrees that Lamar can dispose of the Display.

7. It is understood and agreed that this contract may not be canceled by Advertiser or Advertising Agency without prior written consent of an Officer of Lamar. Lamar reserves the right to cancel this contract at any time upon default by the Advertiser or Advertising Agency in the payment of bills or other breach, or in the event of any material violation on the part of the Advertiser or Advertising Agency of any of the conditions herein contained; and upon such cancellation, all unpaid charges for advertising done hereunder, including short term rates or other charges under this contract shall become immediately due and payable. In case of delinquency in payment, waiver by Lamar of any specific breach of this contract by the Advertiser or Advertising Agency shall not prejudice Lamar’s rights hereunder with respect to any breach or breaches not specifically waived by Lamar.

8. Execution of this contract does not constitute an extension of credit by Lamar to Advertiser or Advertising Agency. In the event Advertiser or Advertising Agency applies for credit, the terms, representations and conditions of the credit application are incorporated into this agreement. Upon credit approval by Lamar, all payments under this contract will be due in advance every four weeks. A late payment charge of 1.5% per month (18% per annum), or the maximum amount allowed by law, whichever is less, shall be charged and paid by Advertiser or Advertising Agency on any amount remaining unpaid after 30 days from a given invoice date. Advertiser or Advertising Agency agrees to pay all taxes applicable to this contract. In addition, Advertiser acknowledges and agrees that no payment made to the Advertising Agency shall constitute satisfaction of a payment obligation under this contract unless and until Lamar actually receives said payment.

9. If this contract is placed with a collection agency or an attorney for collection, Advertiser or Advertising Agency shall pay Lamar’s collection fees and reasonable attorney fees, even though no suit or action is filed. If a suit or action is filed, the amount of such reasonable attorney fees shall be fixed by the court or courts in which the suit or action, including any appeal therein, is tried, heard or decided, and shall include an amount estimated by the court as the reasonable costs and fees to be incurred in collecting any monetary judgment or enforcing any other order entered in the suit or action.

11. Advertiser or Advertising Agency shall indemnify and save harmless Lamar against any liability to which Lamar may be subjected by reason of the advertising material displayed under this contract, including, but not limited to, liability for infringement of trademarks, trade names, copyrights, invasion of rights of privacy, defamation, illegal competition or trade practices, as well as all reasonable costs, including attorney’s fees, in defending any such action or actions.

12. Lamar will not be deemed to be in default with respect to its performance of or compliance with any of the terms or conditions of this advertising display contract if the failure to perform or comply is due to any act of God, armed conflict, riots, civil commotion, sabotage, vandalism, strikes or lockouts or any other event or cause, whether similar or dissimilar to the foregoing, beyond the control of Lamar.

13. This contract is not assignable by the Advertiser or Advertising Agency.

14. Any bill rendered to the Advertiser or Advertising Agency shall be conclusive as to the correctness of the items therein set forth and shall constitute an account stated unless written objection is made thereto by the Advertiser or Advertising Agency within thirty (30) days after billing.

15. Advertiser and Advertising Agency, if any, are jointly and severally responsible for payment under this contract. This contract contains the entire agreement between parties, and no representation or promise not set forth herein shall affect the obligations of the parties hereunder.

16. The Advertising Agency, if any, represents and warrants that it is authorized to execute this contract on behalf of the Advertiser and to legally bind the Advertiser to the payment and performance of the obligations provided in this contract.

17. Advertiser and Advertising Agency agree that Lamar makes no express or implied promise or commitment that Display will be posted on any specific unit or that Display will be posted on a unit that travels on any specific route.

18. Advertiser warrants that all approved designs to not infringe upon any trademark or copyright, state or federal. Advertiser agrees to defend, indemnify and hold Lamar free and harmless from any and all loss, liability, claims and demands, including attorney’s fees arising out of the character, contents or subject matter, including but not limited to any claims for false or misleading advertising, of any copy displayed pursuant to this contract.
