Award of the project was based on the lowest responsive and responsible bid from those submitted. Pro Builders was determined to be the lowest responsive and responsible bidder for the base bid.

Along with the base bid, contractors were requested to submit bids for 3 additive alternates for potential inclusion in the project if funding is available. Pro Builders submitted a price of $69,000 for Add Alternate #1 which was for the procurement and installation of a 30’ X 30’ Farmers Market Shade Structure.

Per the Bond Spending Plan, total bond funding for Horticulture improvements is $2,000,000. The Board previously approved $1,000,000 of this funding for the Site Improvements Project (phase 1). This phase 1 budget of $1,000,000 is approximately $20,000 short of being able to include the installation of the Add Alternate #1 Farmers Market Shade Structure. The inclusion of the shade structure at this time will be beneficial in that this will be the most cost effective point of installation (no future demolition of concrete and paving work, cleaner installation). It will also provide a focal point to the Horticulture site when phase 1 is completed.

It is recommended that the phase 1 funding be increased from $1,000,000 to $1,020,000 (leaving a balance of $980,000 for phase 2). A revised Project Initiation Form (PIF) is being submitted for approval.

The Board is asked to approve both the modifications to the PIF and the construction contract to Pro Builders in the amount of $789,000.

The contract is available online at http://www.solano.edu/measureq/planning.php

This (MOU) is made between Solano Community College District (SCCD) and Fairfield-Suisun Unified School District (FSUSD).

Fairfield Suisun Unified School District is a California K-12 public school district located in Fairfield CA, in Solano County.

Solano Community College District (“SCCD”) is a California Community College District located in Solano County, CA. SCCD governs and operates Solano Community College (“SCC”), located at 4000 Suisun Valley Road, Fairfield, CA 94534 (Main campus).

Both parties mutually agree to work together through a collaborative partnership to operate an ECHS on the Fairfield campus of Solano Community College.

The parties will develop a program plan to include the opportunity for students to obtain an AA/ATT degree and/or Certificate, in addition to a high school diploma by the end of the student’s twelfth grade year of high school. This plan will include students taking one or two college courses during grade nine and ten, and taking three to four college courses during grade eleven and twelve.

The high school courses will be taught by FSUSD teachers and college courses will be taught by SCCD teachers. The parties will work to establish a scheduling plan, a professional development plan based on needs, availability of facilities and resources and plan flexible structures that provide orientation, as well as academic, personal and social support to High School students.

A fiscal plan will be developed collaboratively to determine and address the costs of operating the program and delineate the financial obligations of the respective parties as well as any associated costs that will be borne by the High School students and their parents.

This agreement will be in effect through June 30, 2018. By June 30th of each year thereafter, the parties will annually review the 2 year agreement.

Additional terms and conditions are included on the MOU.

A copy of the MOU is available in the Office of the Superintendent-President, the Office of the Vice President of Finance and Administration, and in the Office of Workforce Development.

Approval is requested at this time.
This Memorandum of Understanding (MOU) is made between Solano Community College District (‘SCCD) and Fairfield-Suisun Unified School District (“FSUSD”). Solano Community College District and Fairfield-Suisun Unified School District mutually agree to the following:

WHEREAS, Early College High Schools are small high schools located on college campuses for students who are prepared for student in an environment which promotes learning, and which provides curricula that allows students to complete high school and earn college credit:

And

WHEREAS, Early College High Schools prepare high school students for successful educational futures through a full integration of high school, college and careers. Additionally, the program goal is to improve academic performance and self-concept, and increase high school and college/university completion rates;

NOW THEREFORE, the parties to this Memorandum of Understanding mutually pledge their commitment to work together through a collaborative partnership to operate an ECHS, which started in the fall of 2014 and is continuing under this agreement in the fall of 2016 for a period of 2 years on the premises of SCCD’s Fairfield Center campus, located at 4000 Suisun Valley Road, Fairfield, California, as follows:

1. **GOVERNANCE STRUCTURE**: Structures and processes will be designed to ensure district, state, and federal policies and requirements are followed; day-to-day ECHS management, decision-making authority, and staff responsibilities will be clearly delineated; and that the ECHS will be fully integrated into the college structure. This will include processes to address student behavior.

2. **PLANNING AND IMPLEMENTATION**: The faculty of FSUSD and SCCD will be active participants in the planning, implementing, and assessing the ECHS program. Planning and implementation activities will be conducted collaboratively.

3. **PROGRAM DESCRIPTION**: The Fairfield-Suisun Early College High School program will be designed to prepare students for college success by providing them rigorous coursework and college classes beginning in the ninth grade. Qualifying students will take high school and degree-applicable college courses at Solano
Community College. Some high school courses may be offered at the high school campus.

The anticipated student outcomes include the following:

- To create a bridge between high school, community college and university
- To prepare the students to earn a diploma from a fully-accredited college preparatory program
- To provide students with the opportunity to earn a community college degree (AA) or up to 60 transferable college credits during four years of high school enrollment
- To prepare and support students for success in college courses

4. **PROVISION OF HIGH SCHOOL AND COLLEGE-LEVEL COURSES:** In collaboration with SCCD, FSUSD will develop learning outcomes, a college-readiness curriculum, and assessments that will provide a supportive, yet rigorous, academic program that integrates motivational techniques and learning behaviors with innovative teaching that emphasizes academic skill building and career development.

5. **PROGRAM PLAN:** FSUSD and SCCD will develop a program plan whereby the students will have the opportunity to complete an AA/ATT degree and/or Certificate, in addition to a high school diploma by the end of the student’s twelfth grade year of high school. The plan will include taking one or two college courses each year during grades nine and ten, subsequently taking three to four college courses during grades eleven and twelve.

6. **SELECTION CRITERIA:** The parties will work collaboratively to create and implement the student selection criteria. Criteria will include review of academic assessment results, behavior, and attendance.

7. **FACULTY AND STAFF:** High school courses will be taught by FSUSD teachers and college courses will be taught by SCCD teachers. FSUSD and SCCD will develop a scheduling plan. FSUSD and SCCD will work collaboratively to create and implement a professional development plan based on the identified needs.

8. **FACILITIES:** Joint planning will occur to ensure that classroom and office facilities, including available instructional and non-instructional resources, will be available on the college campus.

9. **ENROLLMENT IN COLLEGE COURSES:** High School student schedules, and FSUSD and SCCD calendars, will be aligned to allow students to enroll in college-level courses. Processes will be developed for the High School students to participate in the matriculation, enrollment, drop/add, and withdrawal processes prescribed by the SCCD.
10. **COMPREHENSIVE STUDENT SUPPORT**: The parties will work collaboratively to plan flexible and innovative structures that provide orientation, as well as academic, personal, and social support to High School students.

11. **FINANCES**: FSUSD and SCCD will work collaboratively on the development of a fiscal plan to determine and address the costs of operating the ECHS program, and to delineate in a written agreement the financial obligations of the respective parties as well as any associated costs that will be borne by High School students and their parents. Such an agreement will include arrangements regarding fees, high school and college textbooks, and supplemental materials.

12. **TITLE 5**: FSUSD and SCCD will work collaboratively to ensure that all college courses are open to the general public as required by Education Code 76002 and Senate Bill 338.

MEMORANDUM of UNDERSTANDING  

between  
SOLANO COMMUNITY COLLEGE DISTRICT,  
on behalf of the SCHOOL OF LIBERAL ARTS 
of SOLANO COMMUNITY COLLEGE,  
and the  
BAY AREA MODEL’S GUILD  

This Memorandum of Understanding (also know as the “MoU” or the “Agreement”) is entered into this 21st day of July, 2016 by and between the Bay Area Models' Guild (a.k.a. “BAMG” or “Guild”) and the Solano Community College District (a.k.a “SCCD” or “District”) on behalf of the School of Liberal Arts (a.k.a “School”) of Solano Community College (a.k.a. “SCC” or “College”).

RECITALS  
A) This is the third Agreement between SCCD and the BAMG for providing models for art classes.

MEMORANDUM of UNDERSTANDING  

1) **Term:** The term of this Agreement shall be August 1st, 2016 through July 31th, 2018.

2) **Providing Models for Art Classes:** The Guild shall provide models for classes & workshops for the School as requested by the School, whether the School’s classes & workshops are held on SCCD property or elsewhere.

3) **Client Guidelines of the Bay Area Models’ Guild:** The Guild’s Client Guidelines are incorporated herein (see Attachment A) and are agreed to by the School, the District and the Guild, apart for the expectations and modifications of these guidelines noted elsewhere in this Agreement.

4) **Scheduling Bookings:** The School will notify the Guild of its modeling needs in accordance with the attached Client Guidelines [see Attachment A, item 1) Scheduling Bookings]. If photography or video of the model is needed for a particular booking, the Guild’s Booking Coordinator must be told those details at the time of the request. When and if one model must substitute for another the Guild shall inform the School instructor at least 24 hours before the scheduled session, if reasonably possible.

5) **Props, Costumes & Model Stands:** The management and care of the School’s props, costumes and model stands will remain a responsibility of the School. Guild models may use these props, costumes and model stands as needed in the normal performance of their modeling services for the School. Guild models may also bring their own props and costumes as appropriate. If a School instructor needs a model for a specific School costume those details must be told to the Guild’s Booking Coordinator when requesting the booking (so an appropriate model can be scheduled).

6) **Independent Contractor Status:** The District and the Guild agree that the Guild is an independent contractor and not an employee of the College nor the District. Models sent by the Guild to classes and workshops for the School are independent contractors associated with the Guild and are neither employees of the College, the District nor the Guild.

7) **Indemnification:** The Guild will require each Guild member that is scheduled to work at the College to sign a one-time release (see Attachment D) on behalf of the District that will be filed with the School prior to a Guild member providing modeling services to the college. This release (approved by the District) is intended to cover the entire District. The Guild will send this model-
signed form on to the School prior to the scheduled booking. The School will give the model a completed District-signed copy at or before that model’s first scheduled booking at the College.

8) Payments & Billing: a) Invoicing:

i) The District has two payment options:

Option One: The District can pay for all its planned model related expenses in advance at the beginning of each academic session (fall, winter/spring, summer and any possible inter-sessions). If this option is chosen, the District shall transfer to the Guild at the beginning of each academic session an amount it estimates will cover the cost of modeling fees plus the cost of the model payment series provided by the Guild [detailed in sub-section iii)] for that session. The District will increase the amount in a timely manner held by the Guild for any given session if it appears there will be a shortfall. The Guild can and will provide an invoice at the beginning of each session for the planned model needs for that upcoming session, if requested (if that paperwork is helpful to the District). If Option One is chosen but not paid in a timely manner or if there is a shortfall, then Option Two will be the default option and course of action. If this option is in effect the rates are as shown on Client Rate Sheet A (see Attachment B).

Option Two: The District can (or must) pay on a monthly basis. The Guild will send an invoice about the 20th of each month to the School for services rendered for the previous month. If this option is in effect, the rates are as shown on Client Rate Sheet B (see Attachment C)

For either option, the District will pay each invoice in full within one month of receiving it. The Guild will pay the models each month for the School’s funds held by the Guild. The Guild will provide the School with a monthly account and activity report of those funds.

ii) The District agrees that it will pay the appropriate hourly rates as listed on the Guild’s rate sheet A or B, incorporated herein (see Attachment B and C), for modeling services performed by Guild models for the School. The Guild reserves the right to change its rates, but agrees to give the District at least one-year advance notice of any change in rates. It is agreed that any rate change would be in effect no earlier than August 2018. It is also agreed that there will be a minimum modeling assignment of three hours for each modeling session. Longer sessions are O.K. and are determined by the needs of the School. Neither the District nor the Guild are responsible for travel and other related expenses incurred by models in the normal performance of their services as models and independent contractors. Bookings made with Guild models below Guild rates and hourly minimum will not be honored nor compensated by the Guild. The Guild will only compensate modeling services rendered by BAMG member models that are booked through the Guild.

iii) In addition to modeling fees, there will be a Service Fee of 6% of all billable modeling fees for the model payment services provided by the Guild added to each invoice or deducted from the School’s account depending on which payment option is implemented. These services include, for each model: Collection of the appropriate paperwork from new models, making the appropriate payments for their modeling services and producing the required 1099’s each January.

iv) The District shall be responsible for any late fees and penalties if payment of any invoice is delayed. Payments from the district are credited to the School’s account to the month in which they are deposited regardless of when the check was written or sent; payments once received will be promptly deposited by the Guild. Unpaid invoices more
than one month late (two months from the date of the invoice) are subject to a 15% Late Payment Fee (simple interest) for each full month or portion of a month the late debt is unpaid. In addition, excessive or unusually large negative account balances are subject to a $50 per month Negative Account Balance Fee as long as the excessive or unusually large negative account balance is maintained. (To avoid the Negative Account Balance Fee it is recommended, but not required, that the District keep a sum on account with the Guild that is slightly larger than the amount it plans on spending on modeling fees during the busiest model-use month of the year, plus 5% of that amount for the model payment services noted above, if Option Two above is the invoicing method being implemented. The busiest model-use month is the month with the most model hours booked. If Option One above is the invoicing method being implemented, it is unlikely the Negative Account Balance Fee will ever come into play.)

v) The Guild may waive some or all of the fees as detailed in sub-sections ii) and iv) above in unusual or special circumstances.

b) Any unspent money in the School’s account held by the Guild at the end of each month will be carried over and credited to the School’s account for use at the beginning of the next month. In the advent of a lengthy period of time (more than two months) between academic sessions (fall, winter/spring, summer and any possible inter-sessions) when no models are required by the School, the Guild shall return any unspent money to and at the written request of the District.

c) As defined in item 5) Too-Lates & No-Show of the Client Guidelines (see Attachment A), if a model is “too-late” or “no-shows” (whether or not a replacement can be found for that booking), instead of the free model at a later date, a credit for a free model (equal to the cost in model fees for the affected booking) will be applied to the School’s account at the expense of the Guild. This is contingent upon the instructor for who the model no-showed, reporting the no-show to the Guild’s Booking Coordinator and/or the School’s Guild liaison (who then must report it to the Guild’s Booking Coordinator).

d) Sections a) thru b) above [in this item 8) Payments & Billing] supersede item 6) Payment Policy of the Client Guidelines (see Attachment A). Section c) only modifies 5) Too-Lates & No-Show of the Client Guidelines (see Attachment A) with otherwise still applies.

9) **Termination:** a) In the event that the District (which includes the School) or the Guild fails to perform any of the obligations under this Agreement, this Agreement may be terminated by the other party, which shall be effective after two months’ written notice [as described in item 15) Written Notice below] to the other party. Any money still held by the Guild that is not payable to models or the Guild for services rendered shall be returned to the District within one month after the effective termination date.

b) This item 9) is in addition to item 16) Relationship Termination of the Client Guidelines (see Attachment A).

10) **Non-waiver:** The failure of either party to exercise any of its rights under this Agreement for a breach thereof shall not be deemed to be a waiver of such rights or a waiver of any subsequent breach.

11) **Assignment:** Neither party has any authority to assign this Agreement without the written consent of the other party.
12) **No Authority to Bind:** Neither party has any authority to enter into contracts or agreements on behalf of the other. This Agreement does not create a partnership between the parties.

13) **Declaration by Contractor:** The Guild declares that it has complied with all federal, state, and local laws regarding business permits and licenses that may be required to carry out the work to be performed under this Agreement.

14) **Severability:** If any term, provision, covenant or condition of the Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the rest of the Agreement shall remain in full force and effect and in no way shall be affected, impaired or invalidated.

15) **Written Notice:**

17) **Non-Discriminatory Employment Practices:** It shall be the policy of the SCCD and the BAMG with respect to the implementation of this Agreement to provide equal employment opportunities (including work assigned to independent contractors) without regard to race, color, national origin, ethnicity, religion, age, gender, marital & military status, sexual & gender orientation, and physical & mental disability.

VI. AGENT AND SUBCONTRACTOR’S OF CONTRACTOR

1. Contractor shall ensure that any agents and subcontractors to whom it provides Protected Health Information, agree in writing to the same restrictions and conditions that apply to Contractor with respect to such PHI and implement the safeguards required with respect to Electronic PHI [45 C.F.R. § 164.504(e)(2)(ii)(D) and 45 C.F.R. § 164.308(b)].

If Contractor receives a request for Protected Health Information not in its possession and in the possession of the County, or receives a request to exercise other individual rights as set forth in the Privacy Rule, Contractor shall promptly forward the request to the County. Contractor shall then assist County as necessary in responding to the request in a timely manner. IX. ACCOUNTING OF DISCLOSURES

1. At the request of the County, and in the time and manner designed by the County, Contractor and its agents or subcontractors shall make available to the County, the information required to provide an accounting of disclosures to enable the County to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. § 164.528, and the HITECH Act, including but not limited to 42 U.S.C. § 17935. Contractor agrees to implement a process that allows for an accounting to be collected and maintained by the Contractor and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that Contractor maintains an electronic health record and is subject to this requirement.

2. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Health Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual’s authorization, or a copy of the written request for disclosure.

3. In the event that the request for an accounting is delivered directly to Contractor or its agents or subcontractors, Contractor shall forward within five (5) calendar days a written copy of the request to the County. It shall be the County’s responsibility to prepare and deliver any such accounting requested. Contractor shall not disclose any Protected Information except as set forth in this Agreement [45 C.F.R. §§ 164.504(e)(2)(ii)(G) and 165.528]. The provisions of this paragraph shall survive the termination of this Agreement.
X. GOVERNMENTAL ACCESS TO RECORDS

Contractor shall make its internal practices, books and records relating to its use and disclosure of the protected health information it creates for or receives from the County, available to the County and to the Secretary of the U.S. Department of Health and Human for purposes of determining Contractors compliance with the Privacy rule [45 C.F.R. § 164.504(e)(2)(ii)(H)]. Contractor shall provide to the County a copy of any Protected Health Information that Contractor provides to the Secretary concurrently with providing such Protected Information to the Secretary.

XI. CERTIFICATION

To the extent that the County determines that such examination is necessary to comply with the Contractor's legal obligations pursuant to HIPAA relating to certification of its security practices, County, or its authorized agents or contractors may, at the County’s expense, examine Contractor’s facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to County the extent to which Contractor’s security safeguards comply with HIPAA Regulations, the HITECH Act, or this Agreement.

XII. BREACH OF UNSECURED PROTECTED HEALTH INFORMATION

1. In the case of a breach of unsecured Protected Health Information, Contractor shall comply with the applicable provisions of 42 U.S.C. § 17932 and 45 C.F.R. part 164, subpart D, including but not limited to 45 C.F.R. § 164.410.

2. Contractor agrees to notify County of any access, use or disclosure of Protected Health Information not permitted or provided for by this Agreement of which it becomes aware, including any breach as required in 45 C.F.R. § 164.410, or security incident immediately upon discovery by telephone at 707-784-2962 and Riskdepartment@solanocounty.com or 707-784-3199 and will include, to the extent possible, the identification of each Individual whose unsecured Protect Health Information has been, or is reasonably believed by the Contractor to have been accessed, acquired, used, or disclosed, a description of the Protected Health Information involved, the nature of the unauthorized access, use or disclosure, the date of the occurrence, and a description of any remedial action taken or proposed to be taken by Contractor. Contractor will also provide to County any other available information that the Covered entity requests.

3. A breach or unauthorized access, use or disclosure shall be treated as discovered by the Contractor on the first day on which such unauthorized access, use, or disclosure is known, or should reasonably have been known, to the Contractor or to any person, other than the individual committing the unauthorized disclosure, that is an employee, officer, subcontractor, agent or other representative of the Contractor.

4. Contractor shall mitigate, to the extent practicable, any harmful effect that results from a breach, security incident, or unauthorized access, use or disclosure of unsecured Protected Health Information by Contractor or its employees, officers, subcontractors, agents or representatives.

5. Following a breach, security incident, or any unauthorized access, use or disclosure of unsecured Protected Health Information, Contractor agrees to take any and all corrective action necessary to prevent recurrence, to document any such action, and to make all documentation available to the County.

6. Except as provided by law, Contractor agrees that it will not inform any third party of a breach or unauthorized access, use or disclosure of Unsecured Projected Health Information without obtaining the County’s prior written consent. County hereby reserves the sole right to determine whether and how such notice is to be provided to any individuals, regulatory agencies, or others as may be required by law, regulation or contract terms, as well as the contents of such notice. When applicable law requires the breach to be reported to a federal or state agency or that notice be given to media outlets, Contractor shall cooperate with and coordinate with County to ensure such reporting is in compliance with applicable law and to prevent duplicate reporting, and to determine responsibilities for reporting.

7. Contractor acknowledges that it is required to comply with the referenced rules and regulations and that Contractor (including its subcontractors) may be held liable and subject to penalties for failure to comply.
8. In meeting its obligations under this Agreement, it is understood that Contractor is not acting as the County's agent. In performance of the work, duties, and obligations and in the exercise of the rights granted under this Agreement, it is understood and agreed that Contractor is at all times acting an independent contractor in providing services pursuant to this Agreement and Exhibit A, Scope of Work.

XIII. TERMINATION OF AGREEMENT

1. Upon termination of this Agreement for any reason, Contractor shall return or destroy, at County's sole discretion, all other Protected Health Information received from the County, or created or received by Contractor on behalf of the County.

2. Contractor will retain no copies of Protected Health Information in possession of subcontractors or agents of Contractor.

3. Contractor shall provide the County notification of the conditions that make return or destruction not feasible, in the event that Contractor determines that returning or destroying the PHI is not feasible. If the County agrees that the return of the Protected Health Information is not feasible, Contractor shall extend the protections of this Agreement to such Protected Health Information and limit further use and disclosures of such Protected Health Information for so long as the Contractor or any of its agents or subcontractor maintains such information.

4. Contractor agrees to amend this Exhibit as necessary to comply with any newly enacted or issued state or federal law, rule, regulation or policy, or any judicial or administrative decision affecting the use or disclosure of Protected Health Information.

5. Contractor agrees to retain records, minus any Protected Health Information required to be returned by the above section, for a period of at least 7 years following termination of the Agreement. The determining date for retention of records shall be the last date of encounter, transaction, event, or creation of the record.
