**ALERT!!**

Trenching and placement of underground piping is currently in progress at various locations. Please use extreme caution near open trenches and watch for large construction vehicles moving through campus. (See below for locations and details)

I. Activities that may impact school operations:

  ➢ **Access:**
    - Trenching is in progress south of the tennis courts near Building 2000. The road south of the tennis courts will be blocked to pedestrian and vehicle traffic between the hours of 7 am and 4 pm. Please plan movement through campus accordingly.

    - All personnel and students entering Building 1800B from the south side between the tennis courts and Building 1800B should use extreme caution, as trenching is in progress at this location. Watch for signs and construction barricades.

    - ADA Accessible sidewalk will remain parallel to the south side of Building 1800B.

  ➢ **Noise:**
    - Construction noise will be present south of 1800B and south of the tennis courts between 7 a.m. and 4 p.m.
