4. COMMENTS FROM THE PUBLIC

Chairman Dennis recognized Interim Superintendent-President Stan Arterberry who was asked by the Governing Board of Trustees to “express their sincere appreciation to all of you for the services you provide on this very important committee and personally from me I want to thank you. I know as private citizens you have given a lot of time to come and work on this committee and wanted to say thank you very much for that commitment. The Board Sub Committee on the Bond Measure met the other day and would like to share some comments that you need to take under consideration in your discussions. The Board did receive a report from Chairman Dennis on behalf of the committee and the Board will be reviewing the CBOC Bylaws and discussing the bylaws and may be taking action on the bylaws. They will be taken under consideration those comments that were submitted by Chairman Dennis. Some of the highlights that will be contained in that revision of the bylaws:

- Membership will remain at nine.
- Meetings will still meet once per quarter.
- Recruitment - Board members are actively recruiting members to serve on the committee for the vacancies that exist.
- Student Vacancy - There is one student vacancy on the committee. We have received one application from a student. There is a student who submitted an application. The application was incomplete so it was returned to the student for completion.
- Associated Students General Election - the Board will be requesting a list of any appointees
- Confident that all vacancies will be filled
