

Registered Nursing Program Application Process

Before applying to the nursing program please read these guidelines carefully.

- **Read the Nursing Program General Information** document and related documents on the SCC Nursing Program website: <https://welcome.solano.edu/nursing/>
- **Complete all application requirements including general education courses, pre-major courses, send TEAS scores, and everything else listed in the application requirements section of the general information document before applying online.** Courses in progress will not count as complete. Applications and transcripts with courses labeled “in progress” at the time of application will not be accepted.
- **Apply for admission as a student to SCC online via CCCApply** (<https://cccapply.org/en/apply>).
 - **Returning SCC students** who did not attend SCC in the last semester must complete a new SCC application before accessing the Nursing application.
 - **Student ID Number:** After submitting your CCCApply application an email will be sent to the email address you provided in the application, and it will include your SCC ID number, username, and password for your MySolano account. Please allow 24 hours for this email to arrive and check your email's spam folder.
 - If you were a previous Solano student, your old SCC ID number will be reactivated after you complete a CCCApply application. After this step, you can complete the online Registered Nursing (RN) application.
 - All correspondence regarding the SCC application status will be sent to the email address provided in the CCCApply application. The student's MySolano student email address is required when establishing the Registered Nursing application account online. All communication regarding the nursing application and Solano College will go to your solano email.
- An appointment with an SCC Counselor is strongly encouraged to confirm all requirements are met. To schedule an appointment with a counselor, call 707-864-7101 or go online to www.solano.edu/nursing.
- **To apply to the Registered Nursing Program at SCC complete the Nursing Application available on the Registered Nursing website during the open application period (September 1 through September 30 every year).**
 - Remember to have your SCC ID number, your Solano email address, and proof of high school graduation available when you complete the nursing application.

What Happens After You Apply?

- Check your Solano email address regularly. Notifications about the results of your application are usually sent in February following the September application cycle.
- Admitted students and students on the alternate list will have a mandatory orientation the first week of May and first week of August. For example, if you apply in September you are applying to start the RN program the following August. You will know the results of your application in February and if you are admitted you will have orientation the first week of May and another orientation in August. Specific dates will always be emailed to you far in advance of events and requirements.
