COVID-19 | UPDATE |

Vaccination Documents Can Now Be Uploaded

SCC employees are now able to upload their proof of vaccination.

Effective October 15th, all SCC students and employees who are on campus will be required to provide proof of full vaccination against COVID or submit to COVID testing each week before entering college buildings.

If you have been fully vaccinated, all you need to do is upload your proof of full vaccination in Canvas, or email proof to COVIDCaseworker@solano.edu You will only need to upload proof of full vaccination once.

If you are not vaccinated, you can upload your test results on the Canvas site or submit test results to COVIDCaseworker@solano.edu. More details on testing to come.

If you are not yet vaccinated, but wish to be before Oct. 15, you have options. Visit the Coronavirus Updates tab on our homepage for a list of locations where you can get vaccinated. Volunteers will also be required to either get fully vaccinated by October 15 or be tested and have a negative test result before entering college buildings.

As we get closer to October 15, reminder emails to employees and text messages to students will be sent. We understand the mid-semester implementation is not ideal and we appreciate your understanding that the College is doing its best to keep students and staff safe.

Meet Falcon the Chat Bot

Falcon the chatbot can be found on the Solano Community College homepage. Falcon is an AI chat bot that will quickly answer questions about Solano and providing answers, resources and next steps to take. Try Falcon out by asking a question if you can't find something on the website right away.

Meet Falcon!

Hi, my name is Falcon!
I am an artificially intelligent chatbot here to help answer your questions.
How can I help?

Solano Community College launches Falcon the chatbot!

Falcon is an artificially intelligent chatbot available to answer student services questions 24/7/365.

Falcon covers a wide array of topics related to student services, such as application processes and timelines.

Falcon quickly answers questions using a combination of short text-based answers, engaging videos and links to website information.

Falcon is a great tool for training new staff and cross-training other offices.

Congrats Auto Tech Students

Congratulations to SCC Automotive Technology students Julio Quintanilla (above, right) and Nikolai Hansen (above, left) who have each been awarded Car Career scholarships. Each student is the recipient of a \$5,000 scholarship for the 2021-2022 academic year!

These awards represent more than \$100,000 in support of careers in automotive technology. For over 25 years, the California New Car Dealers Association (CNCDA) Scholarship Foundation has sponsored more than \$1,000,000 in scholarship awards. Each year they provide support to students pursuing careers with a franchised new car dealer in the State of California.

Representing SCC at Waterfront Event

Thanks to Victoria and Alexandria Castaneda who represented SCC at the Vallejo Waterfront event on Saturday, October 2nd.

The Vallejo Waterfront Weekend is a festival celebrating the City of Vallejo, Historic Mare Island and Solano County. The goal is to showcase why we choose to live, work, and play in this vibrant community.

Important Dates & Deadlines

There are important dates and deadlines to know about each semester, including add/drop deadlines, waitlist notifications and holidays.
