

Solano CARES

November 9, 2021

Veterans Day Observance

SCC will be closed on Thursday, November 11 in observance of Veterans Day. No classes will be held and all colleges offices will be closed. Thank you to all our faculty and staff who have served.

More In-Person Classes for Spring

Spring priority registration begins November 15. Students can check their registration date on [MySolano](#). SCC will be offering more on ground classes this spring, so for those students who prefer in-person classes, the college will offer several more options. Check out our [spring class schedule!](#)

Please remind students that if they will be coming to in-person classes, they will either need to upload their vaccination status or get tested.

COVID Testing Update

SCC is now working with Inspire Diagnostic to provide expanding on-campus COVID testing for employees and students.

Effective Monday November 8, testing will be conducted at the same location - Building 1700 - on the following days and hours:

Monday: 8:00am – 1:30pm and 4:00pm – 6:30pm

Tuesday: 10:00am – 1:30pm

Wednesday: 10am – 1:30pm and 4:00pm – 6:30pm

Thursday: 8:00am – 1:30pm

Friday: 10:00am – 1:30pm

*Please note there will be no testing available when the campus is closed.

In order to take advantage of this convenient testing option, people will go to one of the following links depending on their status:

- Students: <https://www.inspiretesting.com/pre/SOLANOCOMMCOLLEGE-STUDENT>
- Student Athletes: <https://www.inspiretesting.com/pre/SOLANOCOMMCOLLEGE-ATHLETE>
- Employees: <https://www.inspiretesting.com/pre/SOLANOCOMMCOLLEGE-STAFF>

You only need to provide your name, address, cell phone number and email address. The college is paying for the cost of the testing, so no insurance information is required.

Once you have registered, you will receive a QR code. This code will be scanned at the testing site when you come to be tested. This allows you to receive your test results within 24 to 48 hours of taking the test. However, if you test on Friday you will not receive your test results until the end of the day Monday.

Student Debt Forgiven Due to Pandemic

Solano Community College District is announcing that debt which students took on and could not be paid because of the pandemic will be forgiven. Paid for with federal Higher Education Emergency Relief Fund (HEERF) money, the forgiveness affects all

account balances that resulted from enrollment in the Spring 2020 through Fall 2021 semesters. All registration holds resulting from these balances will be removed prior to the start of registration on November 15th.

Community College students have been hit hard because of COVID-19. By eliminating this debt, we are hoping to remove a barrier that would prevent them from continuing their education. The debt relief will affect over 5,500 students and will relieve over \$1.1 million of unpaid balances.

Health Center is Now Open

Health Services is now available. The Student Health Center is staffed by a public health nurse and a health services assistant who are ready to assist students, staff and faculty in maintaining optimum wellness. All services are confidential. Services are free to currently enrolled students. Staff and Faculty may use the Student Health Center services by paying a nominal fee. Services are administered by appointment or on a drop-in basis.

The Health Center is open Monday through Thursday, 8:00 am to 7:00 pm and Friday, 8:30 am to 3:00 pm.

Bookstore Extends Hours

The Solano College Bookstore is extending its hours on December 16th, 17th, and 20th. The bookstore will open at 10am and close at 6pm. Rental books are officially due back on December 17th.

This will allow students to still utilize their books for finals and give them a chance to return them by the deadline.
