## Bachelor's Degree in Biomanufacturing

With a Bachelor's degree in Biomanufacturing from Solano Community College, you will be on the cutting edge of new scientific breakthroughs and will have a multitude of occupational choices awaiting you. Graduates work in a variety of industries, including but not limited to the pharmaceutical and medical industries, agricultural, chemical, manufacturing, mechanical, and engineering industries. Your opportunities are vast, from water treatment plants to breweries, and from biofuel Dev to food and beverage science.

Did you know that Sonoma State University offers an upper-division program at Solano Community College Vallejo Center, leading to a **Bachelor of Arts in Liberal Studies, and/or Business Administration?** Courses taught by SSU faculty are scheduled evenings, weekends and online for the working student. For additional information: <https://web.sonoma.edu/exed/napa-solano/> 707-644-2601

**SOLANO COMMUNITY COLLEGE**  
**EDUCATIONAL FOUNDATION**

## Solano Community College Educational Foundation

The SCC Educational Foundation was established in 1985 to raise funds to support students and educational excellence at Solano Community College, and to help carry out the vision of "Transforming Students' Lives." SCCEF is an independent 501 (c)(3) non-profit corporation operating out of College offices. During the past six fiscal years the Foundation provided over \$2 million in support for the College, including \$648,000 for College programs, \$312,000 for scholarships, \$95,000 for athletics, and \$52,000 for the alumni association. The Foundation has also helped raise an additional \$464,000 in restricted accounts for immediate use by SCC departments and programs. SCCEF has launched the SCC Alumni Association and established a current database of 70,000 SCC alumni.
