P.A.C.E.
Pathways for Academic and Career Excellence
Solano Community College
Find Your Pace!

Notes for the Visual Design of areas of emphasis/metamajors for Guided Pathways at SCC.

The intent of these notes is for inclusion of P.A.C.E. in the 2019-2020 Catalog. The resulting design should serve as an alternate Table of Contents for the catalog.

We also hope the design will also be able to stand on its own for future inclusion in additional publications, such as the Schedule of Classes, as well as a stand-alone document for information/presentation purposes, for example, Counseling.

These notes include direction for eight pages:
- one introductory page,
- one page for each of the six areas under P.A.C.E.;
- one page to connect students to resources.
In addition, we hope that the page "How to Apply" will follow these eight pages.

The overall purposes of these pages are:
- to provide students with an introduction to the areas under P.A.C.E.;
- to introduce each area under P.A.C.E. through the provision of questions for self-guidance;
- to provide an alternate Table of Contents to the catalog;
- to provide students with clear direction of what to do next, including how to access available resources.

For each area under P.A.C.E., we would like to see a symbolic graphic which would be repeated on the corresponding page which details each area. We would like the graphic not to have a "clip-art feel" to it. Photos of students engaged in a corresponding activity would be best.

~

Page One (The purpose of page one is to introduce students to all of the areas of P.A.C.E.)
Heading: P.A.C.E. Pathways for Academic and Career Excellence
Subheading: Find your P.A.C.E. at Solano Community College
Content (to include the title of each area, its associated graphic, and a short description of each area):
- [Insert Graphic] Business and Management
  - Do you want to lead or manage? Enjoy numbers and details? Like detail tasks?
  - Programs include: Accounting, Business, Marketing, Web Development, and more!
  - Explore all of our programs in this Pathway on page [insert page number].
- [Insert Graphic] Education, Behavioral Science, and the Social World
  - Do you question and explore physical, biological, or cultural happenings?

- o Programs include: Anthropology, Criminal Justice, History, Psychology, and more!
  - o Explore all of our programs in this Pathway on page [insert page number].
- [Insert Graphic] Health and Human Services
  - o Do you want to help, teach, counsel, or cure people?
  - o Programs include: EMT and Fire Technology; Human Services, Nursing, Social Justice, Sports Medicine, and more!
  - o Explore all of our programs in this Pathway on page [insert page number].
- [Insert Graphic] Industrial and Applied Technology
  - o Do you want to work hands-on with objects, machines, tools, plants, or animals? Looking for vocational training?
  - o Programs include: Airframe and Powerplant Maintenance, Automotive, Drafting, Mechatronics, Theater Technician, Welding, and more!
  - o Explore all of our programs in this Pathway on page [insert page number].
- [Insert Graphic] Science, Technology, Engineering and Mathematics
  - o Do you desire to observe, evaluate, and analyze? Interested in math and/or thinking analytically to solve complex problems?
  - o Programs include: Astronomy, Biology, Biotechnology/Biomanufacturing, Horticulture, Mathematics, Physics, and more!
  - o Explore all of our programs in this Pathway on page [insert page number].
- [Insert Graphic] Visual, Performance, and Language Arts
  - o Do you express yourself creatively? Do you like to enlighten, help, or teach?
  - o Programs include: American Sign Language and Foreign Languages, Art and Graphic Design, Communications and Sports Broadcasting, English, Music, Theater, and more!
  - o Explore all of our programs in this Pathway on page [insert page number].

~

Pages 2-7(or perhaps half-pages)
The purpose of these pages is:
- To provide several questions a student may use to learn if these programs/careers are of interest;
- To list all programs in each P.A.C.E. pathway (Note: some programs will be listed in multiple areas; this duplication is intentional.);
- To serve as an alternate table of contents (i.e. page numbers) to best direct users to the identified program;
- To identify if the program is an Associate Degree for Transfer and/or another program with a published recommended course sequence. (Ideally, this is accomplished with a graphic.)

Page 8

The committee suggested the new handout on "How to Apply" coming at the end of these pages.

Alternatively, the final page could provide a list of resources for the student to get started, again with the appropriate pages numbers for more information on each resource.

Resources could include:

- Looking to apply to Solano Community College? See page #

- Need help getting started? Feeling lost or overwhelmed? Make an appointment with one of our Counselors!
    - Visit us in person, or call to make an appointment!
    - Main Campus (Fairfield): Building 400, Room 404; or call (707) 864-7101
    - Vacaville Center: Check-in at the front desk; or call (707) 863-7836
    - Vallejo Center: Check-in at the front desk; or call (707) 642-8188
    - Travis AFB: Visit 530 Hickam Avenue, Building 249, C-BAY; or call (707) 863-7878
    - More information, and online booking is available at <solano.edu/counseling>.
    - For more additional information, see page #

- Need help with our application process? Reach out to our admissions staff!
    - Visit, call, or email, so we can answer all of your questions.
    - Admissions is located on the first floor of Building 400 of the Main Campus (Fairfield)
    - Or, call at 707.646.2053
    - Or, email at admissions@solano.edu
    - For more additional information, see page #

- Visit our Career Center to learn more about your career choices!
    - Visit in-person at Building 400, Room 403, of the Main Campus (Fairfield)
    - Or, call at 707.864.7124
    - Or, email at CareerCenter@solano.edu
    - For more additional information, see page #

- Our Disability Services Program is here to help you!
    - Visit in-person at Building 400, Room 404, of the Main Campus (Fairfield)
    - Or, call at 707-864-7136
    - For more additional information, see page #

- Are you Veteran? Contact our Veterans Affairs Center (VAC)
  - Visit in-person at Building 400, Room 429, of the Main Campus (Fairfield)
  - Or, call at 707.864.7105
  - Or, email at Veterans@solano.edu
  - For more additional information, see page #
