California Community Colleges | Vision Resource Center

How to Access the Vision Resource Center

Professional development trainings and other learning opportunities through the Vision Resource Center

Step 1: Go to Vision Resource Center at

https://visionresourcecenter.cccco.edu/

If you previously registered on the California Community Colleges Professional Learning Network at https://prolearningnetwork.cccco.edu, use the same username and password. If you did not previously register, click **CREATE AN ACCOUNT** >

Step 2: Once logged in, hover over LEARN and select the Learner Home in the top menu.

HOME   LEARN   CONNECT   INTEGRATE   UPDATES

Step 3: Scroll down for videos or search using the top tool bar.

Search

Step 4: Complete trainings at your convenience. The Vision Resource Center tracks your progress.
