

# ACADEMIC SENATE SCHOLARSHIP CAMPAIGN FALL 2022

Dear Colleagues,

Please join the SCC Academic Senate's efforts to support our students via the Senate's Scholarship Fund. Our goal is to increase our Academic Senate Scholarship fund from approximately \$6,000 to \$10,000, to allow us to fund one \$500 scholarship annually. As you know, we have many deserving students who could use help with funding their education. Any additional funds from ongoing donations will allow us to provide even more scholarships to our students.

We greatly appreciate any amount you donate and thank you for your support.
