ARTICLE 7 RETIREMENT

7.1 **Retired Employees:** Employees hired on or after July 1, 2017 and retire (regular or disability retirement) from the Public Employees Retirement system after serving fifteen (15) or more years of service to the District as defined in 15.2 shall have the opportunity of one of the District-paid retirement options listed below. The benefits listed below will be prorated for the retiring employees working less than full-time. The option chosen at the time of retirement is irrevocable. Retirees will receive the same health and welfare benefits as active employees. (Example: If any of the plan carriers mandate a co-pay, adds or deletes a benefit, the change will affect active employees and retirees. If the plan is changed in negotiations where a co-pay is implemented or a new benefit is added or deleted, the change will affect active employees and retirees. If through negotiations, retiree benefits are shortened or lengthened in years of coverage, the change will affect new retirees, not former retirees. If through negotiations, active employees begin picking up all or a portion of the premiums, this change will not affect the retirees who have District-paid premiums.)

7.1.1 Five (5) years of medical for employee only.

7.1.2 Grandfather Clause: Bargaining unit employees employed by the District before July 1, 2017, shall retain their present retiree health and welfare benefits listed below:

- a. Ten (10) years of medical for employee and spouse or domestic partner and vision for employee.
- b. Eight (8) years of medical for employee and spouse or domestic partner with the lowest premiums at the time of retirement, eight (8) years of dental for employee and spouse or domestic partner (annual maximum of \$1500 and no orthodontia coverage) and eight (8) years of vision for employee and spouse or domestic partner.
- c. Five (5) years of medical, dental, and vision for employee and spouse or domestic partner and \$10,000 payable to the employee in the 6th and 7th years in \$5,000 installments (at the end of each fiscal year).
- d. No health and welfare benefits provided but will receive \$20,000 in the 1st through 4th years in \$5,000 installments (at the end of each fiscal year).

Retired employees who are not eligible for the above District-paid benefit or who have used their 5, 8 or 10 year entitlement may continue to participate in the health and welfare programs provided they submit premiums to the District one (1) month in advance. (The definition of continue means no break in coverage.)

If employees becomes deceased before cash payments (as defined in 15.3.3 and 15.3.4) are disbursed, the cash will be payable to person designated as beneficiary at the time of retirement.

7.1.3 Employees who retire from the District and participate in the Public Employees' Retirement System and do not participate in the longevity program increment as specified in article 14.12 section E shall receive a retirement payment as provided below:

- a. An employee who retires with at least 10 years but fewer than 20 years of service to SCC; \$5,000 (to be prorated if less than full-time).
- b. An employee who retires with at least 20 years but fewer than 25 years of service to SCC; \$6,000 (to be prorated if less than full-time).
- c. Any employees who receive the 25-year longevity as listed in article 14.12 section E would not be eligible for any additional retirements monies as listed in 7.13.
- d. Members employed in the 10-month laboratory technician positions as of 8/3/2020 will remain eligible for the full (not prorated) retirement payments as long as they remain in those positions.

7.1.4 Retirees and spouses or domestic partners will participate in Medicare plans offered by SCC as soon as they become age eligible if allowable under health plan carriers. (Example: Retirees in Kaiser who become eligible for social security will enroll in Medicare Part A and B and Kaiser Senior Advantage. While receiving District-paid benefits, the retiree will receive the same plan of benefits as active employees.)

The intent of the District's health care proposal is to place controls on the escalating costs of health care and to encourage all employees to explore health care coverage that is efficient and yet effectively meets the needs of District employees and their families.

It is the goal of the District that classified employees with families will

have the option of selecting a medical plan that costs them nothing out of pocket. If an employee desires a different medical plan that is more expensive, it will be available. However, the employee shall be responsible for paying the difference in the plans. A secondary intent of the District's proposal is to encourage employees and management, through the health care cost containment committee, to continue actively seeking alternative health care plans and providers that offer substantially the same or better coverage at a more affordable price.

- 7.2 PERS Enrollment: The District shall continue to contract with Public Employees' Retirement System (PERS) for the retirement benefit commonly known as 2.0% @ 55 for "Classic Members" (hired prior to January 1, 2013) and 2% @ 62 for "New Members/PEPRA" (hired on or after January 1, 2013).

All bargaining unit employees shall be enrolled in PERS and are required to contribute to the retirement system.

As of July 1, 2017, PEPRA Members are required to pay 6.5% of their gross salary, which is the normal share of the employee's contribution required under PERS.

As of January 1, 2018, Classic Members are required to pay 7% of their gross salary, which is the normal share of the employee's contribution required under PERS.

The District will hold PERS retirement workshops annually. Employees will be allowed to attend without using leave time. Additional information about PERS can be found at www.calpers.ca.gov.

ARTICLE 9 LEAVES OF ABSENCE

The employee's immediate supervisor should be notified of the intent to be absent, the nature of the absence, and the anticipated duration of the absence not later than two (2) hours (for p.m. shifts); one half hour (1/2) hour (for a.m. shifts) before the start of the work shift in order to be eligible for paid leaves covered by Articles 9.1, 9.2, 9.5, 9.6, and 9.7. All other leaves/absences require advance authorization. Employees working a Monday through Friday schedule shall report all absences to their immediate supervisor. If the employee's supervisor is absent, the employee must contact the Human Resources Department. Employees assigned to work a Saturday, Sunday, or holiday shift are required to follow the District's procedure in notifying their supervisor. This notification requirement shall be waived in cases of extreme emergency. Upon return from leaves, bargaining unit members shall complete an Employee Absence Report Form.

9.1 **Sick:** Members of the bargaining unit absent due to surgery, serious illness or injury or absent more than five (5) consecutive assigned workdays shall be required to submit a medical release to the Human Resources Department prior to being permitted to return to work. 9.1.2 Advanced Credit for Sick Leave: Effective July 1, 2017, employees will accrue sick leave monthly. A regular employee may request to advance non-accrued sick leave for illness or injury up to the number of days he/she would be allowed in one fiscal year as permitted under Education Code 88191. A probationary employee will receive no more than six (6) days sick leave credit until the seventh month of service with the District. In the event an employee terminates employment with the District after having used more sick leave days than the number which he/she has earned, the unearned portion will be deducted from his/her final warrant. If no salary is due the

employee who has used more sick leave days than the number he/she has earned, he/she will be billed by the District for the amount which the District has overpaid him.

Pay for any day of such absence shall be the same as the pay which would have been received had the employee served during the day of illness.

If an employee does not take the full amount of leave allowed in any one year under this section, the amount not taken shall be accumulated from year to year.

- 9.1.3 Sick Leave - Retirement Option: Any employee may convert unused sick leave to retirement service credit if the employee is filing a request for retirement. Conversion credit allowed pursuant to PERS regulations.

- 9.2.4 Paternity or adoption.
- 9.2.5 Illness of dependents.
- 9.2.6 Pressing personal business.

Leave for reasons other than those listed may be granted at the discretion of the immediate supervisor or his/her designee. He/she may grant such leave only, if in his/her opinion, the matter is of such an urgency that it cannot be taken care of at a time other than working hours.

Upon return from a Personal Necessity Leave, bargaining unit members shall be required to complete an absence verification form provided by the District and to submit each verification as may be required.

9.3 **Pregnancy Disability:** An employee disabled by pregnancy, childbirth, or a related medical condition is entitled to up to four months of disability leave per pregnancy under Pregnancy Disability Leave. Employee shall be eligible to receive compensation at their regular rate of pay charged against sick leave for the work days missed during the period of disability. The employee must present written medical verification of the date of medical release from pregnancy disability.

9.4 **Family and Medical Leave:** The district will comply with the Family and Medical Leave Act (FMLA) and any State legislation covering the same subject. The following is a brief outline. Please refer to district policy for specific details.

The employee shall make every effort to schedule leave under this section at least thirty days in advance of commencement of the leave so as to allow the District to plan for the absence and avoid disruption.

9.4.3 Approved family and medical leave authorizes the employee to a total of 12 weeks of district-paid health and welfare benefits. Leave for a husband and wife employed by Solano Community Colleges is limited to a total of 12 weeks combined for the birth, adoption or foster care of a child. Employees requesting family leave in conjunction with pregnancy disability leave are eligible to receive a maximum of seven months of leave (refer to 9.3).

9.4.4 The employee will use accrued sick leave if the leave is taken for the employee's own serious health condition. The employee may elect to use available vacation, floating holidays and comp time for other family leave purposes.

9.5 **Bereavement:** Employees shall be granted five (5) days of paid leave of absence for the following: (1) Death of employee's spouse, domestic partner, child, mother or father; (2) Death of other immediate family members if out-of-state travel is necessary or if travel is in excess of 200 miles one way.

Employees shall be granted three (3) days of paid leave of absence in the event

of the death of other immediate family members if travel is 200 miles or less one way.

The Governing Board may enlarge the benefits of this section and may expand the class of relatives listed below as members of the immediate family.

9.6 **Critical Illness:** Three (3) days per fiscal year, with pay, shall be granted in the case of a critical illness or accident to a member of the employee's immediate family as defined in Article 9, Section 9.5. 9.7 **Jury Duty - Court Witness:** The District agrees to grant to members of the bargaining unit called for jury duty in the manner provided by law, leave of absence without loss of pay for time the employee is required to perform jury duty during the employee's regularly assigned working hours. Employees so called for jury duty must notify the District of service date(s) upon receiving said notice from officers of the court.

The unit member called to jury duty will receive regular pay and any jury duty compensation, travel, meals and parking allowance provided by the court.

A copy of the jury verification form shall be attached to the absence report.

Employees are required to return to work during any day or portion thereof in excess of one (1) hour in which jury duty or court witness services are not required. Any employee whose normal shift is other than the day shift should be temporarily assigned to the day shift during jury duty.

This leave shall not be accumulated from year to year. Industrial accident or illness leave will commence on the first day of absence.

Payment for wages lost on any day shall not, when added to an award granted under the Workers' Compensation laws of this state, exceed the normal wage for the day. Industrial accident and illness leave will be reduced by one day for each day of authorized absence, regardless of a compensation award made under Workers' Compensation. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the industrial injury or illness occurred, for the same illness or injury.

Industrial accident or illness leave is to be used in lieu of normal sick leave benefits.

When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave will be used. If, however, an employee is still receiving temporary disability payments under the Workers' Compensation laws of this state at the time of the exhaustion of benefits under this section, he/she shall be entitled to use only so much of his/her accumulated and available normal sick leave and vacation leave, which when added to the Workers' Compensation award, provides for a day's pay at the regular rate of pay.

During any paid industrial accident and illness leave, the employee shall endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the employee appropriate warrants for the payment of not more than his/her full salary and shall deduct normal retirement and other authorized contributions.

The extended illness leave provided in this section shall be used only after the exhaustion of all sick leave.

Proof of illness or injury for such leave, acceptable to the District, must be provided by a licensed physician.

- 9.10 **Long-Term Health (Leave of Absence Without Pay):** An employee who has used all days of earned sick leave, compensatory overtime, and who must be absent because of industrial accident or illness or non-industrial accident or illness and whose health is such that he is unable to satisfactorily carry on his/her assignment, may be granted a long term health leave for a period not to exceed one (1) year. The leave may be renewed for an additional six (6) month period by the Governing Board. Long-term health leave is unpaid leave.

At the conclusion of his/her leave, an employee may return to the duties of his/her position to which he/she was assigned providing that his/her attending physician verifies that he/she is fully able to assume all the responsibilities of the position.

If, at the conclusion of eighteen (18) months of absence, the employee is still unable to assume the duties of his/her position, he/she will be placed on a reemployment list for a period of thirty-nine (39) months. During this period, if the employee is able to assume the duties of his/her position as verified by a physician's certificate, he/she will be considered for the first vacancy in the classification of his/her previous assignment. The reemployment will take preference over all other candidates except those laid off for lack of work or funds.

Employees returning from a paid or unpaid sick leave or vacation leave shall be placed in the position in which the employee served prior to the leave.

Employees returning from leave other than sick leave or vacation and when all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the person's position, the person shall if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months.

ARTICLE 11 HOURS AND OVERTIME

- 11.1 **Workweek:** The normal workweek shall consist of forty (40) hours per week, five (5) consecutive days, eight (8) hours per day.

The Governing Board of Solano Community College may establish a 10-hour- per-day, 40-hour four-consecutive-day workweek, for all, or certain classes of its employees, or for employees within a class. The 10-hour-per-day, 40-hour four-consecutive-day workweek may be adopted for, but is not limited to, economic reasons, financial necessity, declining enrollments, work location, and duties actually performed by such employees, provided their services are not required for a workweek of five (5) consecutive days. The establishment of such a workweek must have the concurrence of the union.

If a four-day workweek is established, the overtime rate shall be paid for all hours worked in excess of the required workday, which shall not exceed ten (10) hours. Work performed on the fifth, sixth and seventh days shall be compensated for at a rate equal to 1-1/2 times the regular rate of pay of the employee designated and authorized to perform the work.

If an individual employee cannot work a ten (10) hour four (4) day workweek, the employee must request written permission of their supervisor and receive written approval from their supervisor to work a shorter day. This time not worked may be charged to vacation, compensatory time or taken as leave without pay.

- 11.2 **Adjustment of Assigned Time:** Any unit member who works less than full-time, who works an average of thirty (30) minutes or more per day in excess of his/her regular part-time assignment for a period of twenty (20) consecutive working days or more shall have his/her regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.
- 11.3 **Shift Assignments:** Shift assignments for applicable positions are set for a specific period of time and will not be changed without consultation with the employee, except in cases of extreme emergency. Shift assignments are set based upon seniority.
- 11.4 **Increase in Hours:** When additional hours are assigned to a part-time position on a regular basis, the assignment shall be offered to the employee in the appropriate class with the greatest bargaining unit seniority. If the senior employee declines the assignment, it shall be offered to the remaining employees in the class in descending order of bargaining unit seniority until the assignment is made.

11.5 **Lunch Periods:** All employees covered by this Agreement shall be entitled to an uninterrupted lunch period. Such lunch period shall be for a period no longer than one (1) hour nor less than one-half (1/2) hour and shall be scheduled for full-time employees at or about the midpoint of each work shift. Management shall have the right to stagger lunch breaks when there are two or more employees in the same work area.

11.6 **Rest Periods:** All bargaining unit employees shall be granted rest periods which insofar as practical, shall be in the middle of each work period at the rate of fifteen (15) minutes per four (4) hours worked or major fraction thereof.

Rest periods of a total of thirty (30) minutes on full-time evening or special work shifts shall be scheduled to the mutual convenience of the employees and supervisors.

Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.

11.8 **Voting Time Off:** If an employee's work schedule is such that it does not allow sufficient time to vote in any federal, state, or local election in which the employee is entitled to vote, the District shall arrange to allow sufficient time for such voting by the employee without loss of pay.

11.9 **Overtime:** Overtime is defined as any time worked in excess of eight (8) hours in any one day or in excess of forty (40) hours in any calendar workweek, whether such hours are worked prior to the commencement of a regularly assigned starting time or subsequent to the assigned quitting time. Overtime compensation shall be provided as follows:

11.9.1 One and one-half (1½) times the regular rate of pay for hours worked in excess of eight (8) hours per day.

have worked forty (40) hours during any given week.

- 11.11 **Shift Differential:** Effective July 1, 2017, employees who begin their shift at or after 1 p.m. shall work an 8-hour shift. Employees shall receive differential compensation of one range higher, resulting in a minimum 4% increase. Additionally, vacation and sick leave are accrued at the full-time rate. Employees whose shift begins at or after 10 p.m. shall receive a shift differential two ranges above the employee's current range. An employee who receives a shift differential premium on the basis of his/her shift shall suffer no reduction in pay, including differential, when assigned temporarily to a day shift.

- 11.12 **Compensatory Time Off:** A bargaining unit employee has the option of accruing compensatory time off in lieu of cash compensation for overtime worked if agreed to in advance by management. Accrued compensatory time may not exceed two hundred forty (240) hours and is accrued at the applicable overtime rate.

Compensatory time off shall be reported as earned and as taken, in accordance with administrative procedure.

- A. Should the District offer an opportunity to cash out accrued compensatory time, unit members will be able to take advantage of that opportunity.

- 11.13 **Overtime Distribution:** When overtime is assigned by management, it will be assigned to bargaining unit employees in seniority order in the classification on a rotating basis. If the employee declines an assignment, he/she forfeits the opportunity in rotation until every employee within that classification by seniority has had an opportunity to accept the overtime work.

Overtime shall be assigned in a reasonable manner no less than four (4) days in advance of the work to be done whenever possible.

Overtime will not be assigned to any employee who is absent the day prior to the scheduled activity (except regularly scheduled day off). Management is not obligated to assign any unit member overtime if he/she is absent on the day management offers the overtime assignment.

No employee will work more than 16 hours in any 24-hour period unless the nature of the work is for emergency purposes. "Emergency" shall mean a circumstance which requires action to preserve the basic operations of the campus.

- 11.14 **Minimum Call-In Time (Scheduled):** An employee assigned to work overtime at least four (4) days in advance will be compensated for the actual hours worked at the appropriate overtime rate of pay.

- 11.15 **Right of Refusal:** Any employee who is, by nature of the current job assignment, the most qualified, or the only one qualified, to do a job, may not refuse an overtime assignment or a call back, or call-in assignment, except in case of an extreme personal emergency on the part of the employee.

Employees in a classification who are assumed to have equal skills/knowledge may refuse such assignments, with the exception that, should all members of a classification refuse the assignment, management shall make the assignment based on the least seniority in the bargaining unit.

- 11.16 **Stand by Time:** All stand by time shall be considered as regular hours worked and shall be compensated on a straight time or overtime basis as are other hours worked under this Agreement.

- 11.17 **Call-Back Time (Unscheduled):** Any employee called back to work after completion of his/her regular assignment shall be compensated for at least four (4) hours of work at the overtime rate, irrespective of the actual time less than that which is required to be worked. Any employee called in to work with less than four (4) days notice on a day when the employee is not scheduled to work shall receive a minimum of four (4) hours pay at the appropriate overtime rate of pay under this Agreement.

- 11.18 **Hours Worked:** For the purpose of computing the number of hours worked, all time during which an employee is in paid status shall be construed as hours worked.

- 11.19 **Emergency Campus Closure:** When the campus is closed for emergencies during a regular work shift and staff members work, equal time off will be granted at a later date. If an employee is required to work beyond his/her regular work shift, the employee will be paid at the appropriate overtime rate. Such time will be requested and approved on the same basis as floating holidays.

- 11.20 **Remote Work:** With the District's approval, an employee may be called upon to resolve work related problems remotely without returning to the work site. Compensation for remote work shall be a minimum of one (1) hour, or the actual time worked, whichever is greater, to be paid at the overtime rate. In the event a later call is received after the prior one hour of time worked, and the call requires the employee to again resolve work-related problems, the employee shall be paid for an additional one hour of overtime. Remote work performed during a regularly scheduled telecommuting assignment is not eligible for payment under this Article. The District shall not pay an employee for call back pay or remote work pay during the same period of time.

- 11.21 **Flexible Scheduling:** The District recognizes that flexible scheduling of work hours which accommodate the personal preference of employees and meets department needs may be of benefit to both the employees and the District. Employees may voluntarily work a flexible schedule so long as the core needs of the District are met.

Requests for flexible schedules shall be made and evaluated at the department level. Therefore, different types of schedules may be implemented depending on the needs of each department. The department manager retains the right to determine the core needs of his/her department.

A proposal for a flexible schedule whether introduced by the employee or the manager shall be discussed between employee and the manager before the proposed schedule begins. An agreed upon flexible schedule between the manager and the employee will be documented and a copy sent to Human Resources and to the Local 39 Representative.

Flexible scheduling arrangements may be discontinued after the affected employee and the manager have discussed the change for the following: a change in personnel; the request of the employee; or the determination by management.

ARTICLE 20

LAYOFF AND REEMPLOYMENT

- 20.1 **Procedures:** An employee may be terminated from employment or receive a reduction in assigned hours worked because of lack of work or lack of funds. Layoff is not a disciplinary action.

The District shall lay off employees in accordance with District guidelines, California Education Code regulations and collective bargaining agreements, as appropriate.

- 20.1.1 Order of Layoff: Whenever a reduction in force in any area is necessary, the order of layoff within the class shall be determined by length of service. The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Reemployment shall be in reverse order of layoff.

Length of service means all hours in paid status, whether during the school year, a holiday recess, or during any period that school is in session or closed, but does not include any hours compensated solely on an overtime basis. Hours in paid status shall not be interpreted to mean any service performed prior to entering into a probationary or permanent status in the classified service of the District except service in restricted positions.

- 20.1.2 Re-employment Preference of Persons Laid Off: Persons laid off because of lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be re-employed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the District during the thirty-nine (39) months.

Employees who take voluntary demotions or reductions in hours in lieu of layoff or remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24) months, provided that the same tests of fitness under which they qualified for appointment shall apply.

After an employee receives an offer of reemployment, either verbally or by certified mail to the last known address on file in the Human Resources Department, he/she must notify the District of his/her intention within seven (7) working days to return or not return. Should the employee choose not to return, or remains silent, the employee

forfeits priority to the offered position.

Reduction in force shall be effective no sooner than thirty (30) days from and the date on which the Governing Board takes the action to initiate the layoff. Employees affected by such a reduction in force shall be given written notice of the action of the SCCD Governing Board not less than thirty (30) working days prior to the date the reduction is to be effective.

- 20.2 **Seniority Roster:** The District shall maintain an updated seniority roster indicating employees' class seniority, bargaining unit seniority and hire date seniority. Such rosters shall be available to Stationary Engineers Local 39 upon request.
- 20.3 **Vacation Pay Upon Termination:** Due to layoff, an employee of the District receiving a 30-day layoff notice shall have the option of taking his/her accrued vacation or receiving monetary compensation for such accrued vacation, but shall not be forced to take such vacation within the 30-day notification period. If the employee elects to receive payment or take vacation under this provision, any previously scheduled vacation shall be canceled.
- 20.4 The parties agree to the following impacts and effects of layoffs:
- 20.4.1 Any bargaining unit member who is laid off as a result of lack of work or lack of funds shall be entitled to three (3) months of District paid health benefits for employee and eligible dependents.
- 20.4.2 Any bargaining unit member who is laid off shall be provided the opportunity to take classes tuition free during the following two semesters at Solano Community College.
- 20.4.3 Any laid off employees who are subsequently reinstated will be given all rights as provided by the Education Code.

The parties acknowledge that in agreeing to the above, the parties have fully met and completed their respective obligations to bargain the impact of layoffs with regard to the above issues, and the District shall be under no further obligation to negotiate any impacts or effects regarding these matters.

However, in the event of layoffs, the Union may request to negotiate with the District regarding other impacts and effects of layoff.

ARTICLE 21 GRIEVANCE PROCEDURE

21.1 Section 1 – Definitions:

- 21.1.1 "Grievance" is any complaint of a member involving interpretation, application or alleged violation of this Agreement. It is the intent of the parties to review and resolve grievances at the lowest possible administrative level.
- 21.1.2 A "grievant" may be any member of the bargaining unit covered by the terms of this Agreement.
- 21.1.3 A "day" for the purposes of this grievance policy is any day on which the District Office of the Solano County Community College District is open for business.
- 21.1.4 The "immediate supervisor" is the first level management employee having immediate jurisdiction over the grievant--not within the same bargaining unit as the grievant.

21.2 Section 2 - Time Limits: The bargaining unit members who fail to comply with the established time limits at any step will forfeit all rights to the further application of the grievance procedure for the alleged violation of this Agreement.

21.3 Section 3 - Other Provisions:

- 21.3.1 "Application" - Grievances as defined in this Agreement shall be brought only through this procedure.
- 21.3.2 "Grievance Processing - Limits" - The grievance procedure must be invoked within thirty (30) days of the time the grievance or alleged grievance could reasonably have become known to the member.

21.4 Section 4 - Informal Discussion - Oral: Prior to a member initiating this grievance procedure, an informal discussion shall take place between the member and his/her immediate supervisor. The member may be represented by the Union.

21.4.1 Level I:

- A. If the grievance is not resolved by informal discussion, it shall be stated in writing on the "Grievance Report" form as provided by the Union, (a copy of which is attached hereto as Appendix C)

signed by the grievant and presented to his/her immediate supervisor, and a copy sent to the Superintendent/President.

- B. The "Grievance Report" form must be complete, including but not limited to, full employee name, all facts giving rise to the grievance, the date of occurrence, the date of informal discussion, and shall state and identify by appropriate reference all provisions and sections of this Agreement alleged to be violated; shall state the contention of the employee, with respect to these provisions; and shall indicate the specific relief, action, or remedy requested.
- C. The supervisor shall communicate his/her decision to the bargaining unit member in writing within ten (10) working days after receiving the grievance. If the supervisor does not respond within the time limits, the grievant may appeal to the next level.

21.4.2 Level II:

- A. In the event the grievant is not satisfied with the decision at Level I, he/she may appeal the decision to the Superintendent/President or his/her designee within ten (10) calendar days.
- B. This statement shall include a copy of the original grievance, a written copy of the decision rendered by his/her supervisor (attached), and a clear, concise statement of the reasons for the appeal.
- C. The Superintendent/President, or his/her designee, shall communicate the decision to the grievant in writing within ten (10) calendar days of receiving the appeal. If the Superintendent/President or his/her designee does not respond within the same limits, the grievant may appeal to the next level.

21.4.3 Level III:

- A. In the event that the grievance is not satisfactorily adjusted at Level II, the parties may refer the grievance to mediation for resolution. The request shall be made within five (5) calendar days of the receipt of the response at Level II or the failure of the District to timely respond. Upon reference of the matter to mediation, the California State Mediation and Conciliation Services shall be requested to provide a mediator and thereafter the mediation process shall proceed under the auspices of the State Agency (CSMCS). The opinion and findings of the mediator will not be admissible at any level of the grievance procedure.

If the grievance is unable to be resolved through mediation, the Union may submit a request in writing that the grievance be submitted to advisory arbitration. The request shall be made within five (5) calendar days of the receipt of the response at Level II or the failure of the District to timely respond after the conclusion of mediation. The parties shall immediately attempt to select a mutually acceptable arbitrator either from lists to be developed by the parties or developed by the PERB. If the parties are unable to agree upon an arbitrator within ten (10) days of the request for arbitration, the grievance may be submitted for arbitration to the State Mediation and Conciliation Service. The cost of arbitration shall be borne jointly by the parties. The employee shall be provided a copy of the arbitrator's decision.

21.4.4 Level IV:

- A. The Governing Board has twenty-five (25) calendar days or two (2) Board meetings, whichever comes sooner, to review the advisory arbitrator's decision and make a final decision. If no decision is made by the Governing Board in this time period, the decision of the advisory arbitrator shall control.

21.5 **Restrictions:** If the employee files any grievance in any form other than under this procedure, then the District shall not be required to process the same claim or set of facts under this procedure. For Level II to be operative, the form must be developed and mutually agreed upon with forty-five (45) days of the effective date of this Agreement. In the event there is no form provided by the District, the employee may proceed with the grievance by a written letter.

ARTICLE 22

UNION MEMBERSHIP, DUES AND FEES

- 22.1 **Automatic Payroll Deduction and Remittance:** The District agrees to maintain the Union rights to payroll deduction and maintenance of membership.

Upon certification by the Union that an employee has signed a deduction authorization, the District will deduct the appropriate dues and or initiation fees from the employee's pay, as established and may be changed from time to time by the Union, and remit such dues to the Union. Employee requests to cancel or change deductions must be directed to the Union, rather than the District. Deductions will continue unless the employee mails a written revocation to the Union in accordance with the terms of the authorization form, or absent any such terms, by mailing a written revocation to the Union that is postmarked during the thirty (30) calendar day period immediately prior to the annual anniversary on which the employee signed an authorization form.

The effective date of dues deductions for employees shall be made from the pay due employees on the first payday of each calendar month following the Union's notification to the District of the dues deduction authorization. The effective date of any revocation to an existing authorization will be effective on the first pay day of the next calendar month following the Union's written notice of revocation no less than seven (7) calendar days prior to the first payday of the month. In the event of suspension or invalidation of any Article or Section of this Agreement, the parties mutually agree to meet and negotiate within ninety (90) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

APPENDIX D

PROFESSIONAL GROWTH PROGRAM

Philosophy:

The program and services of our college District provide the community with opportunities for individual development and lifelong learning. To ensure the growth of quality education as a continuing diverse process, a concept which our organization promotes, we must recognize and value all individuals within the District as vital contributors to the achievement of that growth.

As active elements in the realization of institutional goals and objectives, classified employees must be instrumental in creating and promoting an atmosphere conducive to the concept of lifelong learning.

Professional Growth has been adopted as an organized activity designed to improve performance of employees in the classified service and to provide training for employees to gain new skills and abilities; to broaden their opportunity for promotion or absorption into other classifications, thereby enhancing the District's affirmative action program; to engage in study and related activities designed to retain and extend the high standards of the classified employees.

Because of the increasing demand in our ever-changing society for new and/or better capabilities among the classified staff, a Professional Growth Program shall be implemented offering a means by which an employee can be compensated or rewarded for voluntarily improving ones value to oneself and to the District.

Plan:

A Professional Growth Panel composed of three members: one representative from the District administration and two appointed by Local 39.

The Review Panel shall review and approve or deny all applications. If an applicant's participation in a specific professional growth activity presents hardship to the respective department, discussion with the appropriate supervisor shall be conducted.

The Review Panel shall select their own chairperson.

The Review Panel shall meet at least twice annually and as required. Applications will be received prior to each of these meetings.

Following the final approval of Professional Growth applications, the panel shall submit a report of action taken to the Superintendent/President or designee.

Guidelines and Criteria:

Credit will be given for any course required for graduation from Solano Community College (or its equivalent if taken elsewhere).

Credit will be given for job and/or degree related courses which are the enhancement or upgrading of job skills and abilities.

Credit will be limited to those courses completed with a grade of "C" or better and may not be repeated for credit. Course(s) with a pass/credit grade are acceptable for credit.

Other courses include: those which may be separately identified by the Professional Growth Committee by special request of the employee. Other: 1) Non-credit/ correspondence courses (1/2 unit for each 10 hours of coursework); 2) Adult education (1 unit for each 36 hours of coursework); 3) Workshop/seminars (1 unit for each 36 hours of a workshop or seminar); and 4) Professional experience (1 unit for each 60 hours of new experience directly job related).

Those employees pursuing an AA or AS Degree or Certificate of Completion must have proof of a Counselor-Approved Program to earn Professional Growth Credit.

Procedure:

Professional growth forms can be obtained from the Human Resources Department or Committee Chair of the Professional Growth Committee.

Complete the application for Approval of Professional Growth Coursework and submit to the Chairperson of the Professional Growth Committee (see Article 10, Professional Growth). Applications may be turned in any time and the Committee will meet at least twice a year to consider applications.

You do not need to notify your supervisor of your application for Professional Growth Credit. If your application is approved, the Committee will notify your supervisor if necessary.

Required Verification: Transcripts or grade card of completion of course(s); Certificates verifying non-traditional courses included in "other" above should be submitted upon completion. Verification must include the hours of attendance on the certificate.
