

# CAREER AND TECHNICAL EDUCATION DEPARTMENT

**Do you enjoy working with your hands, tinkering, problem-solving, and creating things? If so, Career and Technical Education (CTE) programs could be for you!**

Whether you're searching for a new career or just starting out, you'll find CTE programs lead to a fulfilling career of real-world engagement and a sense of accomplishment at the end of the day.

- ◆ Learn to use the tools of the trade for the job.
- ◆ Update your skills and knowledge to advance your career.
- ◆ Try something different!

We offer short-term courses so you can attend Solano while you're working.

Solano offers different certificates and degrees depending on your needs. We even offer Job-Direct certificates, which usually take a semester to complete depending on your schedule.

**You may even qualify for money to pay for it all. Check out our Financial Aid Office here.**

**Search Solano's catalog for Career and Technical Education Degree & Certificate Program for more information and requirements.**
