

SOLANO COMMUNITY COLLEGE DISTRICT

INSURANCE – RISK MANAGEMENT AND SAFETY

3410

POLICY: The Governing Board shall maintain a safe and healthy environment for the students and staff of the District. In order to help accomplish this there shall be:

1. A formal emergency preparedness plan.
2. A District Risk Management and Safety Committee.
3. A formal risk management and safety plan for the prevention of accidents, occupational sickness, fire, liability claims and other related risks to the District, its staff and students.
4. An annual report as required by the Crime and Awareness and Campus Security Act of 1990 published and distributed through appropriate publications or mailings, to all current students and employees, and to any applicants for enrollment or employment upon request.
