DECLARING JUNE 2022 AS LGBTQ PRIDE MONTH

RESOLUTION NO. 21/22-42

In recognition of LESBIAN, GAY, BISEXUAL, TRANSGENDER, QUEER PRIDE MONTH, June, 2022.

Whereas, fifty-three years ago, in June, 1969, a riot at a Manhattan gay bar, the Stonewall Inn, in retaliation to a police raid, precipitated the modern fight for Lesbian, Gay, Bisexual, Transgender, Queer (LGBTQ) rights, and

Whereas, because of acts of courage from those who demanded justice and from those who quietly pushed for progress, our Nation has made great strides in recognizing what these brave individuals long knew to be true in their hearts – that love is love and no person should be judged by anything but the content of their character, and

Whereas, 2015's landmark Supreme Court decision was a historic victory for LGBTQ Americans, guaranteeing marriage equality in all 50 States, ensuring dignity for same-sex couples and therefore all couples, and

Whereas, for every partnership that was not previously recognized under the law and for every American who was denied their basic civil rights, this monumental ruling instilled newfound hope, affirming the belief that we are all freer when we are all treated as equals, and

Whereas, despite this extraordinary progress, LGBTQ Americans still face discrimination simply for being who they are, and there remains much work to do to extend the promise of our country to every American, and

Whereas, in memory of the 49 victims of the 2016 Pulse Nightclub massacre in Orlando, Transgender individuals murdered for who they are, and a history of violence against our community, it is ever more important that we continue to push for equality, protections and acceptance of LGBTQ people everywhere, and

Whereas, 2022 is the 24th year of the Solano County LGBTQ Community coming together to show our pride in Solano County through service and support of the LGBTQ community, in the organization known as Solano Pride Center, and

Whereas, the struggles of the COVID-19 Pandemic within the LGBTQ community has hit harder than most due to healthcare disparities, and economic inequality, and

Whereas, during Lesbian, Gay, Bisexual, Transgender, Queer Pride Month, as we wave our flags of pride high and march boldly forward in parades and demonstrations, let us celebrate how far we have come and reaffirm our steadfast belief in the equal dignity of all Americans, and

Whereas, **Solano Community College** proudly stands with the LGBTQ community, and with all communities who struggle for basic human rights, for acceptance, visibility, safety, acknowledgement, and equitability, in the quest for full equality under the law.

NOW, THEREFORE, be it resolved that, **Solano Community College Governing Board** does hereby proclaim June 2022 as Lesbian, Gay, Bisexual, Transgender and Queer Pride Month

SARAH CHAPMAN, Ph.D., PRESIDENT

CELIA ESPOSITO-NOY, ED.D., SECRETARY

New DPS Website and Content

Racial and Identity Profiling Act (RIPA)

What is Racial and Identity Profiling Act (RIPA)?

The Racial and Identity Profiling Act (RIPA) of 2015 (AB 953) requires state and local law enforcement agencies, as specified, to collect data regarding stops of individuals, including perceived demographic information on the person stopped, and to report this data to the California Department of Justice (DOJ) on an annual basis. [Click to view AB 953: The Racial and Identity Profiling Act of 2015](#)

This data collection has been implemented in a phased-in approach based on the size of the police agencies. The Solano Community College Department of Public Safety is to begin collecting data in May 2022. The collected data is to be reported to the Department of Justice no later than April 2023. The Department of Justice will then post the collected data to their website sometime after April 2023. Data collection will be ongoing with submission to DOJ required no later than April of each year for the prior year's data.

The Solano Community College of Department recognizes the important work of the California Community College's Campus Police Reform task force. One of the key considerations identified by this task force is, "Increasing accountability to the campus community through greater transparency about police interactions, engaging the community in oversight."

Daily Crime Log

The purpose of the Daily Crime Log is to record criminal incidents and alleged criminal incidents that are reported to the Department of Public Safety (DPS). The District Police Department maintains a Daily Crime Log of criminal and alleged criminal incidents that are reported for the most recent 30-day period. The log is available for public inspection during normal business hours of 8 am to 5 pm, Monday through Friday. Log entries older than 30 days can be obtained by request within two business days.
