## Spring Musical-Cabaret

Solano Community College (SCC) theatre presents the musical, *Cabaret* for the spring musical, which begins March 23 and runs through April 8.

The current production of this bold and daring musical brings together the combined talents of Director Christine Mani, Musical Director Mark Middleton, and Choreographer Liz Andrews. "We'll make you forget your troubles through this intriguing tale where 'everything is beautiful,'" said Christine Mani,

Cabaret's director.

First opening in 1966, this brilliant musical achievement went on to win seven Tony awards including best musical. Cabaret was made into film in 1972 by director/choreographer Bob Fosse and received an amazing six Academy Awards.

Set in Berlin in the early years of the rise of Nazi Party, the show chronicles the tormented relationships that occur under extreme political and emotional stress.

Shows are in Studio "G" at the main Fairfield Campus. Recommended for mature audiences. For more information, go to: <http://solano.edu/theatre>

# Crab Feed is Huge Success

The Solano Community College Educational Foundation (SCCEF) hosted the inaugural SCC Crab & Shrimp Feed on Saturday, March 4, 2017 at the Student Center on the Fairfield campus.

A crowd of nearly 300 enjoyed fresh Dungeness crab, a great line of up desserts, and the sounds of the Derek Smith Trio playing Caribbean steel drums. It was a fun evening out with friends and family while supporting SCC students and the SCC Alumni project. Nearly \$10,000 was raised. SCCEF is donating funds to the programs that provided student volunteers, including the Puente Program, MESA Student Society, Phi Theta Chapter of the IHS, and the Cyber Dyne Club.

The SCC Educational Foundation would like to thank the event sponsors including the Nor Cal NECA, Advanced Finishing Systems, Napa Solano Building Trades Council, Dr. Celia Esposito-Noy, Marc Tonnesen, SCC Retirees Association, Jay Yerkes, John Zeltin, and Curt & Debbie Johnston.
