

STAYING COMMITTED AND CONNECTED

JANUARY 22, 2018

Students Attend Math Meeting in San Diego

Three National Science Foundation-funded STEM Scholars, Audrey deLeon, Chelsea Breaw, and Joshua Oroasco, attended the Joint Mathematics Meeting (JMM) in San Diego from January 10 - 13, 2018. These STEM Scholars created a poster to disseminate information about Solano's STEM Scholar grant and they presented at a poster session of the JMM. Another highlight of the trip was a tour of UC San Diego.

Way To Go Facilities and IT Staff!

Maire Morinec reported that on Friday, the Facilities and IT staff did an amazing job in a short period of time relocating computers and desks in order to add capacity to a number of classroom overflowing with students. "Faculty are thrilled and both rooms look great," Maire reported. Maire provided the staff pizza in appreciation for their work.

Campus Safety Message

From Lt. Brian Travis:

Welcome back everyone.

I want you all to know that the Campus Sheriff's Office is committed to promoting a safe and engaging learning environment where all can enjoy the challenges and rewards of the educational process free of fear, apprehension, harassment, or discrimination. In order to achieve a safe and healthy learning environment, we must all share responsibility by exemplifying the code of conduct and reporting all emergencies, crimes, suspicious activities and safety hazards to the Campus Sheriff's Office. Together we can continue to make Solano Community College a model of educational excellence and guarantee educational opportunities for everyone. Below are some new updates from our recent safety and security improvements:

1. New Automated License Plate Reader (ALPR) cameras posted at the south Fairfield campus entrance will allow law enforcement to track vehicle license plates as they enter and exit campus. The ALPR system will help law enforcement keep out those who would like to do harm to our students and staff.
2. Speed bumps have been added to the interior roads around campus. As a reminder, the speed limit is 25 mph on the interior roads and 10 mph in parking lots.
3. We have a new campus deputy and his name is Bryant Williams (see photo above). He has more than 24 years of law enforcement and is a well-respected deputy at the Sheriff's Office. Deputy Williams is also a veteran of the United States Navy where he traveled abroad extensively working as a Cryptologic Technician.
4. As always, if you are leaving campus late, arrange to leave with a friend or call Campus Sheriff's Office at 707-580-6526 (Fairfield Campus), 707-580-4936 (Vallejo Center) or 707-580-6054 (Vacaville Center) for Safety Escort assistance.

You can find out more information about the Campus Sheriff's Office by visiting our website at <http://www.solano.edu/police/>

Basketball Camp for Youth Coming to SCC

Solano College is hosting a "Dynamic Player Camp" beginning in March.

Open to boys and girls in grades kindergarten through 11th grade, the kids will learn from basketball coaches John Nagle and Matt Borchert, along with staff and players and will focus on ball control, passing, getting shots, shooting, attacking defenses, decision making and footwork.

The camp takes place in March and April. [For more information](#), contact Matt Brochert at matt.borchert@solano.edu or John Nagle at john.nagle@solano.edu.
