HS Students Attend Theatre Performance

Approximately 250 local high school students recently attended a recent Solano College Theatre student matinee. Participating schools were Fairfield, Armijo, and American Canyon as well as our own early college program students.

This opportunity to enjoy our production of *The Curious Incident of the Dog in the Night-Time* was made possible by a cultural grant from the Cordelia Rotary Club. This is the second time the Rotarians have chosen us as the recipient for their philanthropic project and we are deeply grateful for their support.
