Food Pantry Helps Students in Need

A recent email sent to Rischa Slade in Student Life is a good reminder of how our efforts to support the food pantry makes a difference. The letter reads:

"I wanted to follow up with an e-mail after I came in earlier today. I really appreciate how you took the time to show me around the back area and make all the services known to me. I also wanted to thank you for how kind you are to the students, myself included. My parents have struggled to make ends meet in recent months, so just knowing that I have all these opportunities at Solano makes me really proud to be here. Not to mention, I usually skip breakfast so the snacks you provide to us do help tremendously. Some days, I do not have enough money to buy food to eat at the cafeteria or the bookstore, especially with the prices getting higher, so being able to get a quick snack is fantastic. I am able to focus on my studies more with a full stomach."

Rischa responded, "Our goal in Student Life is to serve our students to the best of our ability, so it is wonderful to get responses like this from them.

We are grateful to have the opportunity to provide nourishing snacks to students to allow them to focus on their studies with 'full stomachs.'"

The pantry grocery give away is on Thursdays from 1-4. We have also expanded our services to the Vallejo campus.

STA Award for Reducing Bus Passes

A special award was given to SCC for our work to secure reduced bus passes for students, thanks to the work of Rischa Slade, Shirley Lewis, Greg Brown, and Rob Diamond. Celia Esposito-Noy, Trustee Quinten Voyce and Student Activities Director, Rischa Slade, who is also a former STA Board member, attended the event.

Students Submit Transfer Applications

Transferpalooza held Nov. 28-30 in the Transfer Center brought more than 80 students together with Counselors and 4-year university representatives to receive assistance on completing UC and CSU applications.

Students could ask questions about their applications as well as receive feedback and the short essays for UCs known as PIQs (Personal Insight Questions).

Congratulations to all who submitted their applications! The CSUs extended their deadline to Dec. 15, so there is still time to apply!

Music Students Join Nutcracker Performances

On November 24-25 and December 1, several SCC music students performed alongside professional orchestral musicians in the Nutcracker ballet performances with Benicia Ballet. It was a very successful run - we sold out all 4 shows.
