

# Intersegmental General Transfer Curriculum (IGETC) - Option B      2016-2017

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that allows community college transfer students to fulfill lower-division general education requirements either at the UC or the CSU system. The IGETC pattern is most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus. Completion of IGETC does not guarantee admission, nor is generally required for admission. IGETC is not appropriate for some majors. Students should request certification from Admission and Records prior to transfer. Please see a counselor for additional information and guidance.

**Note:** All courses used for IGETC must be completed with a "C" grade or better and must be IGETC approved at the time the course is completed.
