Dear Future Transfer Student,

We hope that you are staying safe and healthy and that the first weeks of the semester have gone well. With the beginning of Fall we have moved into CSU and UC application season for students who are interested in transferring for the Fall 2021 semester and will complete their transfer requirements by the end of the Spring 2021 semester. Below you will find a series of workshops and events being offered this month to help all students, no matter where they are in the transfer process.

Statewide UC Campus Week

From September 14th-September 17th, all UC campuses will offer presentations which will give you an opportunity to become acquainted with them and decide which campus is for you. RSVPs are required to attend each presentation. Space is limited, so be sure to register ASAP. If the session is full, you will be put on a waitlist and recordings will be available.
