

Solano Falcons Welcome Packet

<https://welcome.solano.edu/>

Welcome Falcons!

Thank you for choosing us! We are excited to have you here at Solano Community College, where our mission is to foster your academic and personal development, and help you achieve your educational and career goals.

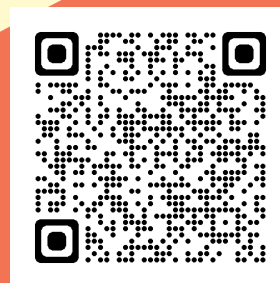

Whether this is your very first semester or you are a continuing student, we are here to provide you with the tools and support to flourish. To help you 'take flight' we have compiled an Information Packet (lots of important stuff) with services and resources, including information about our Transfer and Career Centers, Veteran's Resource Center, Accessibility Services Center, and our newly launched Wellness Center. You can also find information about student equity support structures like Puente and A2Mend, and we have included a handy list of resources within the surrounding community.

We understand you may still be in the process of discovering what interests you, or which major you will ultimately choose. If this describes you, which is fine (by the way), the handy QR code below will lead you to our website's Explore Majors page so you can see the wide range of certificate and degree programs we offer. From there you can follow the link to a Career Assessment if you are interested in finding out which careers might match your interests and passions.

Our awesome, friendly staff and faculty are here to support you every step of the way and we look forward to serving you because you are the reason we are here. Your presence contributes to our dynamic campus community, and we know this experience will broaden your horizons, gain real-world learning, establish life-long friendships and, of course, have fun.

Welcome to the Falcon Family!

Lisa Neeley

Student Services

ASC Accessibility Services Center (formerly DSP)

The **Accessibility Services Center** (formerly Disability Resource Center) empowers students with disabilities and provides services to minimize the limiting effects of a disability. We also advocate for the needs and rights of students with disabilities, and work to create equitable access in the classroom.

Call (707) 864-7136 or email asc@solano.edu

Located in Building 400, Room 407

<https://welcome.solano.edu/asc/>

The Solano Community College **CalWORKs Program** welcomes you to our network of dedicated staff and comprehensive resources. We are committed to your individual growth, development, continuing education and job training. We are organized to provide assistance and information to foster effective support, work force training and job search activities.

Job-Direct training is presented via classroom instruction, conferences, seminars, individualized programs, labs, publications and other learning methods.

Call (707) 864-7000 ext. 4645 or calworks@solano.edu / Building 400, Room 406

<https://welcome.solano.edu/calworks/>

The **Extended Opportunity Program & Services (EOPS)**

program's primary goal is to encourage the enrollment, retention and transfer of students disadvantaged by language, social, economic and educational circumstances, and to facilitate the successful completion of their goals and objectives in college.

The **NextUp Program** provides community college students like you with resources that make a difference. The program offers eligible current and former foster youth support and services that could include help with education and career planning, books and supplies, transportation, tutoring, food, childcare, and emergency housing.

We are located in Building 400, Room 426. Email us at EOPS@solano.edu or call us at (707)864-7000, ext. 4444
<https://welcome.solano.edu/eops-homepage/>

Student Services

Academic Success & Tutoring Center

Vallejo & Vacaville Centers

Vallejo Center

**545 Columbus Parkway
Vallejo, CA**

The **Vallejo campus** has grown to include the Auto Tech Center, located nearby at 1687 N. Ascot Parkway, which opened in Fall 2017.

**1687 North Ascot Parkway
Vallejo, CA**

In addition, the Vallejo Center, in partnership with Sonoma State University, offers courses leading to bachelor's degrees in Liberal Studies and most recently in Business Administration (beginning Fall 2020).

The **Vacaville Center** features a 40,000 square foot, two-story state-of-the-art facility which houses science and computer laboratories, classrooms, a 70-seat lecture hall, and a multi-purpose room for theater arts and physical education.

The Biotechnology and Science building funded by Measure Q funds opened Fall 2017. It houses laboratories for the new bachelor's degree in Biomanufacturing and other science programs offered through the college. The space features four biotech labs, one of which is equipped with multiple bioreactors; two chemistry labs for general and organic chemistry classes; two biology labs; both a wet and dry anatomy lab; and prep areas for all labs
